JAR is intended for practitioners and users of advertising research. JAR solicits original papers. Reports of findings are favored over theoretical discussion. Letters of comment and criticism are invited. Limits on readers’ time and journal space require that papers be as short as clarity permits, and that they conform to the format described below. Full-time faculty and full-time student rate: US $78 in the U.S.A., Canada, and Mexico; E1,140 + VAT elsewhere.

The Advertising Research Foundation, its board of directors, and its council are not responsible for statements of fact or opinion appearing in manuscripts. Responsibility for the contents of papers lies with the authors. JAR does not pay royalties to authors.

Full-time student rate: US $78 in the U.S.A., Canada, and Mexico; E1,140 + VAT elsewhere. To qualify for this rate, a letter on university departmental letterhead must accompany the order. Payment must accompany all orders. Members companies of The ARF receive a subscription to JAR as a part of the membership fee.

JAR is an open forum. Publication in it implies no endorsement of the writer’s purpose, methods, or views by WARC or The Advertising Research Foundation, its board of directors, or any of its councils or committees.
