JAR is intended for practitioners and users of advertising research. JAR solicits original papers. Reports of findings are favored over theoretical discussion. Letters of comment and criticism are invited. Limits on readers' time and journal space require that papers be as short as clarity permits, with a maximum length of 24 pages, including tables and figures. Manuscripts should be submitted online at [www.editorialmanager.com/jar](http://www.editorialmanager.com/jar)

JAR is an open forum. Publication in it implies no endorsement of the writer's purpose, methods, or views by Warc or The Advertising Research Foundation, its board of directors, or any of its councils or committees.
